Here at Vintage Marketplace we want to create a community that supports local artisans and makers. We are seeking a group of like minded small business owners that can use our storefront to reach the community with quality goods.

### Rental options

- 5x7 vertical standard shelving \$200/month (we can modify to your needs and the extra material cost will be at your expense)
- One 5ft shelf for \$75/month

### Vendor/Makers Requirements

- All vendors will be asked to turn in proof of resales license with this application.
- Please attach a few photos of your product with some information about you and your business.
- If we feel like you will be a good fit at Vintage Marketplace we will ask you to come meet with us. At that point we encourage you to bring in some of your product.
- Acceptance of this application is not a guarantee of approval. We will notify you as soon as possible if you are chosen.
- You will be required to maintain your section as needed. If we feel that your booth has not meet our guidelines we will ask you to work on your space. If this is not done in a timely manner we will terminate your lease.
- All rent is due on the 1st of each month and late after the 5th. If rent is received after the 5th a \$50 late fee will be applied.
- A list of all inventory brought in to the store must be provided ahead of time. You will be assigned a sku and will be required to tag everything you bring in.

### Information

- We encourage you to use our workshop for classes or projects at no extra cost.
- A shared section is welcome. We will ask for one primary person to be responsible for your booth. All arrangements will need to be handled by you.
- A 1099 will be generated annually
- All checks will be made out in the beginning of the month between the 1st and the 5th.
- All sales are final. That being said, we at Vintique Marketplace would rather have a happy customer and encourage you to look at that the same way. Word of mouth is the best advertisement we can ask for.(and it is free ;))
- We will have meetings to discuss ideas, feedback and training. Training will include upselling and social media and other items to help everyone out. Our ultimate goal is for everyone to succeed.
- The store is monitored by a security alarm system that will be activated when the store is closed.
- We will have security cameras to help prevent theft but we will not be held responsible for shoplifting or property damage.
